Advance Directives

In accordance with Kentucky law, Dupont Surgery Center must inform you that we are not required to honor and do not honor DNR directives. A healthcare power of attorney will be honored.

If a patient should provide his/her Advance Directive, a copy will be placed in the patient's medical record and transferred with the patient should a hospital transfer be ordered by his/her physician.

At all times, the patient or his/her representative will be able to obtain any information they need to give informed consent before any treatment or procedure.

In order to assure that the community is served by this facility, information concerning Advance Directives is available at the surgery center. While the State of Kentucky does not require a specific form for an Advanced Directive, sample forms are available at the surgery center. To obtain the forms and information, please contact the surgery center at (502) 896-6428.
